DINNER OPTIONS

In general, our restaurant features two different lines of food. Our fine dining option, is the Chef's Choice Menu, which we serve Carte Blanche in 4 or 6 choices. It highlights and presents the flavours of Vorarlberg in a contemporary perspective and really is quite an experience.

The second option is our À La Carte menu, which features the good old classics from Vorarlberg and Austria. In our opinion, variety is the spice of life so taste the best of both worlds.

You can prebook the Chef's Choice Menu one day before arrival until 6 pm for a special price of Euro 47 (4 courses) or Euro 67 (6 courses). It's available from Friday to Monday during the winter season and daily in Summer.

TABLE RESERVATIONS

Please let us know in advance if you would like to dine at the Hirschen. Although we really want you to be well fed during your stay, we **DO NOT** automatically hold tables for hotel guests.
